## AN EXCITING OPPORTUNITY TO SHARE THE GOSPEL

2024 is filling with some wonderful opportunities to take the Gospel to Fiji and the Solomon Islands in the south pacific. We are so encouraged to see the enthusiasm of the teams working so hard right now in preparing for the **"Come Together Celebrations"** in Labasa and Suva in Fiji and Honiara in the Solomon Islands.

Bill Newman and Darin Browne along with Rodney Trinidad will go a few weeks ahead for the **"Catch the Vision"** rallies to prepare the local people (June 12-16). We want to get the Believers in each area to bathe their community in prayer. They are already forming prayer groups which is so encouraging. As well we will be promoting our **"Each One Bring One"** program. We don't want to just preach to saints and seats! These outreaches are designed to preach the simple essence of the Gospel. Rodney Trinidad will be training counsellors as well each morning.

The **Solomon Island** meetings are scheduled for **May 23-26. Labasa Fiji 17-21 July. Suva Fiji August 21-25.** Please note these dates for your much valued prayer. We will have top music with Darin Browne and Pat Morgan along with the beautiful choirs of the south sea islanders. We believe they will lead the choirs in Heaven!

The buses were so successful in Lautoka in Fiji last year in bringing people to the meetings. Can you give toward providing buses as well. We need **\$250 per bus.**

As you know, China has been at work establishing their influence right throughout the south pacific. The Christians are aware of this and are zealous to evangelise their nations.

We need to be very much aware of it as well here in Australia! We must set our sails where the wind is blowing. We believe that this is such a strategic time and that we must urgently take this God given opportunity to proclaim Christ now.

We also want to train **"Tell Teams"**. We want to provide small groups with tracts, tee shirts, and also, how to give simple Gospel talks. Once trained and resourced, they can take the message out to other villages and islands.

We need the help of God's people to achieve this exciting venture. Can we ask you to pray and consider standing with us as part of the Team with your prayer and support? The more we can raise in prayer and support, the more impact we can make.

Please stand with us. Please pray over the support form.
